FABRIC

Extremely lightweight 2.5-layer 100% nylon fabric, 50g per square meter, with a 20,000mm water column and 20,000g/m²/24h breathability. The DWR treatment helps repel water and dirt from the surface of the jacket. Made with waterproof YKK® zippers. The tape used for sealing the seams is 15mm for improved breathability and lighter weight.

CONSTRUCTION

- Hood with rigid visor and wind seal around face, adjustable with a draw cord in back.
- Waterproof YKK® zipper in front with 3mm chain for lighter weight.
- Waterproof zipper flap with zip garage.
- Chest pocket with waterproof YKK® zipper that can be used as a stuff sack for the jacket.
- Chest strap with button to limit opening when the zipper is open.
- Adjustable draw cord at bottom.
- Adjustable velcro sleeve cuffs.
- Karpos wordmark on back of left shoulder and logo on right sleeve.

FABRIC

Extremely lightweight 2.5-layer 100% nylon fabric, 50g per square meter, with a 20,000mm water column and 20,000g/m²/24h breathability. The DWR treatment helps repel water and dirt from the surface of the jacket. Made with waterproof YKK® zippers. The tape used for sealing the seams is 15mm for improved breathability and lighter weight.

CONSTRUCTION

- Hood with visor and wind seal around face with adjustable draw cord in back.
- Waterproof YKK® front zipper with 3mm chain to minimize weight.
- Waterproof flap behind zipper with garage.
- Two front pockets with waterproof zips.
- Back pocket with double slider on zip to enable use as stuff sack.
- Chest strap with button to limit opening when jacket is unzipped.
- Adjustable draw cord at bottom of jacket.
- Adjustable Velcro at wrists.
